DUBAI ISLANDS

LIVE BY THE WATER

Dubai Islands is a next-generation waterfront district spanning 17 square kilometers across five interconnected islands, with pristine shoreline, beaches, boardwalks, and vibrant public waterfronts. Home to world-class hotels, new marinas, cultural venues, and retail boulevards, it blends leisure and lifestyle effortlessly. Connected to the mainland by a major bridge, the islands prioritize walkability and wellbeing through landscaped parks, cycling paths, and inviting waterfront streets, shaping a refined coastal community set to become one of Dubai's most coveted addresses.

THE DEVELOPER

Enzo is a boutique developer driven by a Rare By Choice mindset. Each project is a singular, one-of-a-kind community designed for discerning buyers and investors who value distinction and legacy. By elevating architecture, execution, and the experience of living, Enzo brings true rarity to Dubai's property landscape. This approach is grounded in an extensive 21M sq ft portfolio.

Standing apart from mass-market developers, Enzo focuses on singular projects that are always ahead of their time, embodying what it means to be Rare By Choice. Behind this selectivity is proven operational depth, supported by over 20 years of mall ownership and management, and a zero-debt financial structure that reinforces long-term stability and growth.
